

Stedman Halliday

Designing for wellness and connection

San Francisco, California · stedman.rh@gmail.com · +1.310.867.9416 · stedmanhalliday.com · linkedin.com/in/stedmanhalliday

SUMMARY

Technical generalist based in San Francisco with over 15 years of experience creating values-driven products, brands, media, and experiences. I've shaped customer experiences and driven growth across categories for startups, SMBs, institutions, and global enterprises.

EXPERIENCE

Head of Product & Systems · Frontier Tower

Mar 2026 – Jun 2026
San Francisco, CA

A 16-story vertical village in the heart of San Francisco filled with communities advancing deep tech, frontier technologies, arts, and culture.

- Hardened network and access infrastructure for ~700 members; delivered impact report
- Supported security and incident response across breaches, conflicts, and noncompliance
- Delivered a business intelligence report on funnel, revenue, and churn metrics as ops input
- Facilitated CEO transition: building-wide issue tracker, governance wiki, frontline staff support

Design Consultant · Automattic

Jul 2025 – Oct 2025
San Francisco, CA

Democratizes publishing, commerce, and messaging with WordPress and a portfolio of other Internet and software products.

- Redesigned Beeper web pages for the Q3 2025 relaunch
- Designed content for launches such as Beeper API and Beeper MCP
- Reintroduced community themes bridging Texts.app (acq. 2024) and Beeper Desktop v4
- Developed a monthly planning cadence for the product development process — improving design coverage and quality, discovery workflows, and cross-functional alignment

Design Consultant · SODI, LLC

Jan 2025 – Jun 2025
San Francisco, CA

AI-focused contract projects amassing expertise where design meets intelligent systems.

- Redesigned the agent persona for Julian by 11x (automated inbound sales rep) — character design, visual assets, web launch, and teaser video
- Led brand strategy and identity for Auren by Elysian Labs (emotionally intelligent AI companion), directing 2 other designers across web and product experiences
- Designed multi-agent coordination environment concepts for Slate, the Random Labs (YC S24) enterprise code agent

Chief Product Officer · Prana

Aug 2024 – Nov 2024
San Francisco, CA

A personal health platform that tailors advice from customers' favorite health movements and influencers to fit their bodies, preferences, and lifestyles.

Co-Founder · Paragon

Feb 2024 – Jul 2024
San Francisco, CA

Tools, coaching, and personalized plans to optimize wellness, longevity, and performance.

Product & Growth · Eat Blueprint

Jan 2024 – Apr 2024
San Francisco, CA

A meal service for longevity optimization (acquired by Blueprint / Bryan Johnson).

- Developed menu products aligning nutrition principles, food quality, and customer preferences
- Programmed longevity meetups attended by over 1,000 Bay Area locals and Bryan Johnson
- Produced marketing artifacts (web, video, merch, print) driving millions of organic impressions in Q1
- Operated the subscription platform to persist a \$1M annual recurring revenue run rate

Amazon

2 yr 2 mo

Senior UX Designer

Jun 2021 – Aug 2022
San Francisco, CA

- Led customer experience design for emerging voice and multimodal technologies
- Led design systems and front-end for a novel Alexa architecture unifying third-party deployments
- Led onsite negotiations between Alexa Voice Services and OEM partners' design teams

Amazon Technical Academy Participant

Aug 2022 – Jul 2023

- Trained full-stack software engineering skills in an immersive program with other Amazonians

Wunderman Thompson

1 yr 11 mo

A global marketing communications agency with 200 offices in 90 markets.

UX Designer

Mar 2021 – Jun 2021
Los Angeles, CA

- Drove an 8–18% revenue increase for key Microsoft web properties (Windows Commercial, Surface)
- Led COVID-19 redesigns for Microsoft Education (127% increase in unique visits)
- Redesigned Acura's vehicle features experience for a 100% online COVID-19 sales funnel

Associate UX Designer

Jan 2020 – Mar 2021
Greater Los Angeles Area

Designer

Aug 2019 – Dec 2019
Los Angeles, CA

Special Faculty · California Institute of the Arts

Jan 2021 – Jun 2021

A renowned institution of higher education for professional artists.

- Taught ICOM-101: Media & Web Development to over 60 students
- Designed and facilitated a 100% remote course during the COVID-19 pandemic
- Presented curriculum and student work at the Treehouse Festival conference

Freelance Designer · Stedman Halliday Multimedia Design

Jun 2010 – May 2021
Los Angeles, CA

- Directed, designed, and developed across various media (digital, web, print, merch)
- Specialized in designing identity systems and web media
- Chose socially diverse missions (culture, fashion, education, clean energy)
- Served economically diverse clients (SMBs to multinational corporations)

Strategy Consultant · Yellowfinch, Inc.

Oct 2016 – Jan 2017
Palo Alto, CA

Developed IoT technologies to radically improve structural safety in residential and enterprise markets.

- Named the startup and designed brand assets for the enterprise IoT insurtech product
- Met with international team members to unite business and product goals
- Interviewed industry professionals to kickstart prototypical product development
- Authored initial fundraising pitches for induction into Nasdaq Entrepreneurial Center's Fall 2017 cohort

Kadenze Inc.

2 yr 6 mo

Brings together educators, artists, and engineers from leading universities to provide world-class education in art and creative technology.

Associate Creative Director

Jan 2015 – Sep 2016
Valencia, CA

- Designed flagship LMS products driving avg. 223% quarterly membership growth in launch year
- Directed design for all client sub-brands and some content campaigns
- Designed pitches for rapid client and partner acquisition (~50 launch partners)
- Developed front-end assets for various web endpoints

Designer

Apr 2014 – Jan 2015
